

CUSHMAN®

SHUTTLE[®] 2

DELIVERS MORE THAN HARD WORK.

When you need to move large materials around your facility in a hurry, the Cushman® Shuttle™ 2 is the right choice. With a 1,200-pound cargo capacity and a 20.9-square-foot cargo deck, it can move anything from lumber to luggage. And whether it's equipped with a 48V DC electric drivetrain or a 13.5 hp Kawasaki® gas engine, the Shuttle 2 offers plenty of power to get the job done right.
