EXPERIENCE THE POLARIS® GEM®
When it comes to moving people and cargo with ease and efficiency, the vehicle you choose matters. Make the smart choice with the electric GEM® Polaris®-engineered for a premium ride and long-lasting durability, the GEM® has more built-in comfort and street-legal safety features than a golf cart, and it’s more maneuverable, cost-efficient and sustainable than a van or truck. It offers a more spacious interior with the same compact footprint and quiet, electric power for low-cost, low-maintenance operation.

Now with more versatile options, GEM® can be customized to your needs—so you can drive, shuttle, haul and work with confidence you've chosen a vehicle built for what you do. Drive one today and discover why GEM® is the smarter way to move.

BECAUSE THE RIDE MATTERS

GEM® PASSENGER VEHICLES
Transport people around campuses, facilities or neighborhoods in distinctive comfort. The GEM®'s spacious interior, intuitive ergonomics and open-air design make getting in and out easy. All forward-facing seats and quiet operation increase safety and promote connectivity and conversation among passengers.

PERFECT FOR:
- TRANSPORTATION
- SHUTTLING
- SECURITY & PATROL

GEM® e6®
ENGINEERED FOR COMFORT

- Aluminum frame provides a more spacious interior within the same compact footprint
- Adjustable seats fit passengers of all sizes—including people as tall as 6’8”
- With almost 6” of travel, GEM®’s suspension delivers a smooth, stable ride.
- Optional power steering makes maneuvering even easier

POLARIS®-BUILT FOR SAFETY

- Street-legal on roads up to 35 mph in most states
- Features 3-pt safety belts, street tires, glass windshield, LED brake and turn signals
- Occupant protection system meets SAE roof crush test specifications
- Integrated hard doors add security and weather protection

SUSTAINABLE AND SMART

- A rugged vehicle with quiet, zero-emission electric power and low operating costs
- Versatile battery and charger options fit diverse range requirements
- Plugs into any standard 110-volt outlet

BECAUSE A BIG PAYLOAD SHOULD LEAVE A SMALL FOOTPRINT

**GEM® UTILITY VEHICLES**

With 1,400 lbs of payload, count on GEM® to get the job done efficiently, economically and sustainably—with zero emissions and lower operating costs than a gas-powered van or truck. Choose from hundreds of options and accessories to create the customized vehicle you need to maximize productivity, indoors or out.

**PERFECT FOR:**

- **HAULING**
- **MAINTENANCE**
- **SPECIALIZED UTILITY**
eL XD
With its sturdy build, generous ground clearance and over 1,400 lb payload, the GEM® eL XD is your workhorse. Pick carrier and bed options to fit your unique job demands.

eM® 1400 LSV
A rugged design and street-legal safety features make the eM® 1400 LSV a versatile vehicle that can get the job done—on roads or off.

eM® 1400
With class-leading payload and cargo capacity, the versatile GEM® eM® 1400 is built to tackle all of your jobs. Perfect for hauling cargo across your property, warehouse or job site.

ENHANCING PRODUCTIVITY
- Smart design and durable Polaris® construction—built for frequent stops with fast, easy entry and exit
- Ample payload allows you to make fewer trips when hauling goods
- Long-range battery options take you through the workday without recharging

COST-EFFICIENT OPERATION
- Lower operating costs than an automobile—just $.03 per mile
- Electric power eliminates fluctuating fuel costs for easier budgeting
- Eliminate oil changes and costly regular maintenance

CUSTOMIZED TO YOUR JOB
- Add the exact accessories you need to maximize your work efficiency
- GEM® eL XD fold out ramp and truck bed options make it easier to load heavy cargo
- Lock & Ride® and Lock & Work™ technologies let you attach accessories in minutes
