FLEET MANAGEMENT

Managing an equipment fleet, especially in multiple locations, is a complex task. Medley Equipment Company has the resources and expertise to help you effectively manage your fleet while lowering operating costs.

Our Fleet Management Program is designed to analyze your specific needs and implement the right system to maximize your fleet's potential at the lowest cost per hour.

Benefits of Fleet Management:

- Fleet Right Sizing
- Administrative Cost Reduction
- Reduces Maintenance Costs & Downtime
- Planned Maintenance Management
- Equipment Disposal
- Resource Planning
- Production & Capacity Analysis
- Asset Management Enhancement
- Continuous Cost Improvement
