

PLANNED MAINTENANCE AGREEMENT

MEDLEY
EQUIPMENT COMPANY

#ASONE

AGREEMENT WITH:

COMPANY NAME		CONTACT NAME	DATE
ADDRESS		BP #	
CITY	EMAIL	CONTACT PHONE	
STATE	ZIP		

Maintain your New Factory Warranty on Your Equipment from Medley by Performing the Recommended Planned Maintenance at the Required Documented Scheduled Intervals, to avoid additional costly repairs.

We agree to perform the lubrication and operational maintenance inspection as described on Medley's Operational Maintenance Report form applying to this agreement and you agree to pay for the same.

This agreement shall remain in force until canceled by (30) days notice in writing by either party.

The services on the listed equipment will be performed at mutually agreed working hours between 8:00 A.M. and 4:30 P.M. weekdays only. Work performed before or after normal business hours or on Saturdays or Sundays will be at our then prevailing premium rate. Customer shall provide unobstructed access to equipment for PM's. Agreement is based on entire order, & the PM's being performed uninterrupted consecutively basis.

Waiting time charged at the hourly rate of _____

Customer Prefers PM's Done in : ☐ Mornings ☐ Afternoons

REQUESTED PM START DATE: _____

Medley tracks your PM due dates by computer, and PM's are scheduled by phone confirmation & approval prior to service call.
